Prestige Villa Front Line Golf Hacienda Del Alamo

Frontline golf villa at Hacienda Del Alamo – a rarity – this one is located behind the 11th green looking up the fairways to the clubhouse.

A great location and the villa that has everything. As well as usual comforts of an Aercife 2 with its large kitchen diner and 3 bedrooms with a large master suite privately located on its own updates.

But this one has lots of extras, beautiful furniture most of which will be left, an external bar with

worktops refrigerator cupboards under and a beautiful pool.

As well as these obvious benefits the new Hacienda Hotel and Spa open on August 1st (see below), and the new Corvera Airport is due to open in January 2019 this airport will attract larger numbers of visitors and routes and is only a 10 to 15-minute drive from the resort.
